## Abstract

Everyone agrees that this issue is really important. But we do not know much about this specific question, although it matters a great deal, for these reasons. We approach the problem from this perspective. Our research design focuses on these cases and relies on these data, which we analyze using this method. Results show what we have learned about the question. They have these broader implications.

# 1 Introduction

- How to add citation?

Add some citation like this (Krishnarajan 2023). Or like this Krishnarajan (2023) argues...

## 2 Theory

With the following chunk I include Figure 1.

### Welcome to Quarto®
